

INTERVIEW SUMMARY

Applicants' representative Brenda M. Simon, Reg. No. 48,449, and Examiner Nicholas Augustine spoke on March 14, 2007 to discuss the rejection of claim 2 in view of the Newegg.com reference cited in the January 12, 2007 Office Action.

Examiner Augustine indicated that if the limitations of claim 2 were incorporated into claim 1 and the term "user selectable views" was amended to "user selectable formats", the amended claim would overcome the Newegg.com reference. Applicants have made the amendments as requested.
